Each year, the Saskatchewan Crop Insurance Corporation (SCIC) agrees to reimburse beekeeper for 80% of the cost of electric fencing equipment, to a maximum of \$3000, for the purchase of materials to construct and power electric bee yard fences.

Terms and Conditions:

SCIC **will NOT** reimburse for GST, Labour costs, Travel, Tools (including voltage testers) or replacement batteries for existing fencers. Receipts must be from within the past year.

SCIC **Will** reimburse for the cost of posts, wire, insulators, connectors, and gate handle insulators and will reimburse for the purchase of new fencers with batteries. The equipment must have a life expectancy of five years or more. Valid original receipts must be provided for all reimbursable costs. Original receipts will be returned to the beekeeper/business prior to reimbursement of funds. Please include a sheet summarizing the totals of each receipt. You may be required to submit a photo of the yard if request by the Bear Fence Director.

Note: If there is no electric fence around the bee colonies, compensation will be paid for bear damage to bee hives only on the first occurrence per bee yard. Subsequent claims on the same bee yard will not be paid if no fence has been erected.

For Bear damage claims please call SCIC at 1-888-935-000. For more information contact your local crop insurance office.
